

WE HAVE YOU COVERED

From decorative pieces to structural enhancements, we fabricate all types of ornamental iron products. Whether it's custom panels, iron furniture, or unique design elements, we bring your vision to life.

We also specialize in repairing and restoring ornamental ironwork. If your existing railings, gates, or fences are damaged or showing signs of wear, we can restore them to their original beauty and functionality.

CRAFTSMANSHIP YOU CAN TRUST

At Bluegrass Ornamental Iron, we are dedicated to providing top-notch ironwork solutions tailored to your needs. Our expert team ensures every project is crafted with precision and care. Experience the perfect blend of beauty, security, and functionality.

Bluegrass Ornamental Iron is dedicated to excellence in every project, offering expertly crafted ironwork that enhances both aesthetics and security. Our extensive experience, precision workmanship, and customer-focused approach set us apart. We collaborate closely with clients to design and fabricate custom pieces that reflect their unique style while ensuring durability and functionality. From intricate decorative details to robust structural elements, we bring creativity and reliability to every job. When you choose Bluegrass Ornamental Iron, you're investing in superior quality, exceptional service, and long-lasting beauty for your property.

ABOUT US

Bluegrass Ornamental Iron is a fully insured, locally owned business serving the Louisville Metro area and the surrounding Seven Counties. We specialize in custom ornamental iron fabrication, offering high-quality craftsmanship, timely service, and competitive pricing. Whether you need hand railings, fences, gates, or custom ironwork, we bring your vision to life with precision and care.

WHAT WE CAN HELP YOUR NEXT PROJECT WITH...

Custom Hand Railings

Enhance safety and elegance with beautifully crafted iron railings for staircases, balconies, and more.

Fences

Durable, stylish, and secure iron fencing, designed to complement both residential and commercial properties.

Gates

Custom driveway, garden, and security gates with optional automation for convenience and control.

Spiral Staircases

Add architectural charm with custom-designed spiral staircases, blending functionality with timeless beauty.

Ornamental Iron Products

From decorative iron panels to custom furniture and unique design elements, we fabricate high-quality ornamental pieces.

Repair & Restoration

Breathe new life into aging ironwork with expert repairs and restorations, ensuring durability and aesthetic appeal.
